Dear Parent/Carer,

I am sure the children are looking forward to a relaxing weekend after a full week at school. All classes now have a Google Classroom and teachers will use this to set home learning activities. The home learning policy is on the school website. Please contact link deputy headteachers if you would like to discuss any aspects of home learning further.

On Tuesday 26th August there is an opportunity to visit your child's classroom and meet their teacher. Teachers will lead a short presentation about the routines of the class and plans for the year ahead. The session starts at 3.10pm and is repeated at 3.40pm. Visitors should enter via the main door. Staff and senior pupils will be on hand to guide you to classrooms.

School Photograph Update

If you opted to have your child's photograph taken this week by the professional photographer then they will bring a slip home at the start of the week. The slip has a QR code that can be scanned to view your child's photos.

I hope you have an enjoyable weekend and look forward to welcoming the children back to school on Monday.
